A Message From the Administrators...

Did you know?

Shaw Avenue students are definitely talented!!!! There have been several awesome events where the students have exhibited their expertise and skills in a variety of areas during the months of January and February.

Our hats are off to the sixth grade students and teachers for the spectacular Science projects they created and shared with us Tuesday evening at our Annual Sixth Grade Science Fair. A very special thank you and congratulations to all students and teachers for not only conducting

Building Level Team

We would love to hear from you! Share your concerns, comments, and suggestions for the future.

You can jot a note and place it in the BLT box at the front of the building or send an email to the following email address:

the experiments, but for sharing their findings in a very clear and comprehensive manner.

In the commemorative assembly honoring Dr. Martin Luther King, Jr. in January, students read their dreams for the future, recited poetry, and sang songs showing their talents. Thank you to Ms. Distler and the classroom teachers for working so diligently with the students.

We would also like to thank all of the parents who encouraged their children to participate in the PTA Open Mic Nite last Friday night. The singers, dancers, musicians, poetry readers and comedians were great!!!

Shaw Avenue Spirit Day

Tomorrow, February 5th, the staff and students will take part in *Spirit Day* as a culminating activity for our **Quiet Hallways Contest** and in celebration of the upcoming Super Bowl.

We are asking that your child wear a football team t-shirt, jersey, hat or any sports related item.

We are very proud of all of the students that have been doing their very best individually and as a class as they have been walking through the hallways. We thank you for your continued support!!
