A Message From the Administrators...

THANK YOU!!!!

Your "Yes" vote made the difference! All three propositions passed. A very special thank you to all parents and the entire Shaw Avenue community. Your support of Valley Stream District 30 is truly appreciated. As we continue to work together there is no limit to the heights we will reach.

Also to all families that donated money and dessert to the PTA sponsored Teacher/Staff Appreciation Luncheon, THANK YOU!!!! We celebrate all of the parent volunteers and Mr. Peter Diaz

Building Level Team

We would love to hear from you! Share your concerns, comments, and suggestions for the future. You can jot a note and place it in the BLT box at the front of the building or send an email to the following email address:

shawblt@gmail.com

parent of a kindergartener for coordinating, setting up, serving, and cooking for a beautiful and delicious event.

It has been a very exciting, informative, and successful year for the students, staff and administration. We want to commend you and thank you for all of the support you have given throughout the year. Please continue to encourage your child(ren) to be on their best behavior everyday as school has not ended as yet. We are sure with your assistance the students will make good choices inside and outside of the building.

We Need Your Help

Over the last few weeks there has been an increase of behavioral incidents that are directly associated with "Silly Bandz". Students have been trading them, selling them, and taking other students' bandz that do not belong to them. Students are also becoming more and more distracted during classroom instruction because of the "Silly Bandz."

As we look to enjoy the rest of the 2009-2010 school year, as of today, May 20th, there is a ban on the number of "Silly Bandz" your child(ren) can wear to Shaw Avenue School. All students who choose to wear "Silly Bandz" are limited to wearing 2 bandz. The ban will be in effect for the remainder of the school year. As always we appreciate your continued support.
