A Message From the Administrators...

Wow! Memorial Day weekend is here! Can you imagine that next Tuesday is June 1st? It seems like it was just September. If you are like us at Shaw Avenue School we cannot believe that school is coming to an end. We will be in the last month of school and oh boy what a busy month we have ahead.

There are many fun and exciting events to come. We look forward to seeing you at Field Day and Play Day. Remember the fun never stops at Shaw Avenue.

While keeping the end of the year activities in mind there are some suggestions we would like to offer prior to the hustle and bustle getting started.

1. Mark your calendars with all of the important dates & events for your child (ren). Including due dates

- for submission of permission slips and forms. **This is extremely important!**
2. This is the last week of book circulation. All books will be due back into the library the first week of June. At this time, you may want to consider getting a library card for your child at the Henry Waldinger Library and check out the summer reading programs that they have planned for our students.
3. Encourage your child (ren) to stop by the Nurse's Office to claim their lost coat, jacket, lunchbag/box, hat, etc. All items that are not accounted for will be donated to charity.

Have a very safe, fun and relaxing Memorial Day weekend!

Building Level Team

We would love to hear from you! Share your concerns, comments, and suggestions for the future. You can jot a note and place it in the BLT box at the front of the building or send an email to the following email address:

shawblt@gmail.com

Thank You For Your Input

We would like to celebrate all of the parents and guardians that took time out of your busy schedules to fill out the BLT survey about Progress Reports. We are happy to report that we received a total of 255 surveys!

The overall consensus of most families is to continue with the current procedure of all students receiving a progress report in between report cards. It was also very nice to know that you as parents and guardians have consistent conversations with your child's classroom teacher when situations occur.

As always we really appreciate all of your continued support!!
