A Message From the Administrators...

URGENT MESSAGE!

Shaw Avenue Elementary School is in the process of re-registering all students currently in grades K-5. It is mandatory that parents or guardians of Shaw students complete the re-registration. Please be advised that if you have not completed the re-registration process the students in your household may be excluded from attending Shaw Avenue Elementary in the 2010-2011 school year. Appointments are available during school hours and after school. To reserve your 15 minute appointment please call 516-612-7622. Only one parent or guardian needs to attend re-registration. For more information about what documents are needed to successfully re-register go

to www.valleystream30.com, or call the appointment number listed here. Please make every effort to complete the re-registration process now to ensure that your child can begin school in a timely manner in September. Thank you.

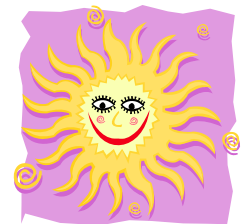

DON'T FORGET

Thank you for encouraging your child(ren) to send in their borrowed library books. There are still 296 books that have not been returned as of today. It is extremely important that the library books be returned or paid for prior to Friday, June 25th. **Report cards will be held if a student does not return the book or pay a replacement**

fee.

School will be ending soon and if you haven't already made plans for the summer consider some activities that are right at your back door. There will be summer concerts at the Village Green and a variety of sports related activities that are sponsored by the PAL. You may also consider the following fun activities as a part of your summer events: reading books with your children or choose an old favorite to read aloud. The pools are open for swimming lessons or just for fun in the water. Trips to the library, picnics, playing board games together and doing any fun activity that your child(ren) will remember forever!

Looking Ahead

To promote both school and library spirit, the public library will once again have their Waldinger Cup competition this summer. The school that has the most students complete the Summer Reading Program will be awarded this trophy in September. Please encourage your children to join the competition and help Shaw Avenue win "bragging rights" for their reading accomplishments!

FIELD DAY 2010

We could not have asked for anything more! The weather and activities were beautiful on Field Day. A very special thank you to our Physical Education teachers Mr. Van Keuren and Mr. Clark for doing such an awesome job in setting up Field Day to be a great day of fun. Thank you to all of the classroom teachers and special area and support teachers for all of your help.

Also a very special thank you to the PTA for the t-shirts, ices, and all of your support. We celebrate Ms. Shamela, parent of a third and fourth grade student for donating her time, equipment, and skills as our DJ for Field Day. It was definitely a day that will be remembered for years to come. We are so excited for our upcoming Play Day on Tuesday!
