There have been so many exciting, challenging, and most importantly successful days, weeks and months here at Shaw Avenue School. We thank you parents and guardians for all of your support for the teachers, staff, and also for us as an administrative team. Looking at the year in a reflective manner, it has been a great year!

If you need more information about the fees contact our school librarian Ms. Capewell. All monies are due by Friday, June 25th.
- Re-Registration is vital for your child's enrollment in Shaw Avenue School for the 2010-2011 school year. Please call for an appointment at (516) 612-7622. Appointments are available during school hours and after school.

LEARNING FUN

Mrs. Lipski's third grade class became young inventors, creating brand new chocolate candy creations. The children's imaginations were sparked by the sweet read alouds they enjoyed which included: Chocolate Touch, Chocolate Fever, and Charlie and the Chocolate Factory. As sugarcoated thoughts lingered in their minds, each child was able to create a brand new and exciting invention.

The children created original candy products and commercials that were presented to several classes in the building. Next week the class will enjoy the much anticipated **WONKAMANIA DAY!!!!** This will be a great way to end the year with a chocolate blast!!! The day will be a day focused on chocolate and only chocolate. The class will create, play and sing all about chocolate. Many wonderful surprises await the students on this magical day!

PLAY DAY 2010

We could not have asked for anything more! The weather and activities were beautiful on Play Day. A very special thank you to our Physical Education teachers Mr. Clark and Mr. Van Keuren for doing such an awesome job in setting up Play Day to be a great day of fun. Thank you to all of the classroom teachers and special area and support teachers for all of your help.

Also a very special thank you to the PTA for the t-shirts, ices, and all of your support.

This day was picture perfect for the Kindergarten, First, and Second Grade students!
