Preface

Volume XXI Valley Stream Union Free School District Thirty Closing Exercise Programs

In New York State students only “graduate” from high school, college and other advanced institutions. The term graduating is a legal term and is not used when completing grammar [elementary] or junior high school. From 1936 till 1940 students advanced to high school, from elementary school, twice a school year in District Thirteen.¹ The minutes of the Joint Boards of Education of the Valley Stream Districts reported the following on “mid year promotion:”

Mr. Sprague from District #13 spoke of the policy of some of the District’s having mid-term promotion. Mr. Buck requested Mr. Gross [high school principal] to speak to those present in order that they might receive some idea of the benefits or difficulties of accepting mid-term pupils. Mr. Gross outlined the High School procedure at length and showed that the pupils who entered the High School in February were at a disadvantage throughout their entire High School Course. Many questions were asked and Mr. Buck called for an expression of opinion. Representatives from District #13, #24, and #30 stated that they were in favor of organizing their schools on the half-yearly promotion basis and that they would recommend this procedure at their district Board Meetings.²

On December 19, 1939 the practice of mid-year promotion was discussed in District Thirteen. It was reported that District Twenty-Four had changed to yearly promotion, and District Thirty had always had that policy.

Clear Stream Avenue programs include: 1942, 46 to 51 and 62 to 67. Shaw Avenue School programs include 1951 and 1997. I was unable to locate programs for the ~~Shaw Avenue~~ ^{Forest Road} and Washington Avenue Schools.

William P. Stris
December 31, 2000

¹ As early as October 4, 1932 the subject of mid-year promotions was discussed at the Joint Boards of Education of the Valley Stream Districts. See also Public Education in Valley Stream, Supra note 2, Volume I District Thirteen History., Chapter Two at 16 and Chapter Nine, Volume VIII District Twenty-Four., Chapter Nine, and Volume XV District Thirty History, Chapter Nine.

Kindergarten Closing

Ceremony

Shaw Avenue School

June 26, 2003

ALL I REALLY NEED TO K I LEARNED IN KINDERGARTEN

Most of what I really need to know
about how to live and what to do and how to
learned in kindergarten. Wisdom was
not at the top of the graduate school mound
but there in the sand pile at Sunday School
These are the things I learned:

Share everything.

Play fair.

Don't hit people.

Put things back where you found them.

Clean up your own mess.

Don't take things that aren't yours.

Say you're sorry when you hurt somebody.

Wash your hands before you eat.

Flush.

Warm cookies and cold milk are good for you.

Live a balanced life-learn some and think some
And draw and paint and sing and dance
And play and work everyday some.

Take a nap every afternoon.

When you go out into the world, watch out
Traffic, hold hands and stick together.

Be aware of wonder.

Robert Fulghum

MAY THERE ALWAYS BE SUNSHINE

May there always be sunshine.

May there always be blue skies.

May there always be children.

May there always be you.

May there always be stories.

May there always be music.

May there always be teachers

To care for you!

May there always be sunshine.

May there always be blue skies.

May there always be parents

As special as you!
